NATOA 2017 Annual Conference

National Association of Telecommunications Officers and Advisors

Best Best & Krieger LLP attorneys will be speaking at the 2017 National Association of Telecommunications Officers and Advisors Conference.

BB&K Speakers:

Gregory Rodriguez

“Wireless Infrastructure Session 1 - The Basics”

This session will highlight new and emerging technologies and services that will bring real smart benefits to our communities. Find out more about improved transit systems, better public safety protection, more efficient lighting, autonomous cars, and more.

Monday, Sept. 11

8:30 - 10 a.m.

Greg’s presentation, which is the first stop on his BB&K Innovation Week tour, can be seen below. Follow along on his journey on Twitter by using

Joseph Van Eaton

“Local Franchising - Swimming Upstream?”

Low monthly fees. No contracts. No equipment rentals. Streaming TV is really catching on. But as consumers flock to these new services, what’s going to happen to cable TV? Franchise revenues? PEG channels? Our experts will consider these questions and many more.

Tuesday, Sept. 12
