# Now Comes the Hard Part... Implementing Groundwater Management Under SGMA

UCLA IoES Water Resources Group and UCLA School of Law's Emmett Institute on Climate Change and the Environment

As one of the leading water attorneys in California, Best Best & Krieger LLP Managing Partner Eric Garner helped to write the Sustainable Groundwater Management Act, passed in 2014. Now his firm is advising groundwater management agencies all over California. In his presentation, "Now Comes the Hard Part... Implementing Groundwater Management Under SGMA," being given at the UCLA IoES Water Resources Group and UCLA School of Law's Emmett Institute on Climate Change and the Environment seminar, Eric will discuss current and forthcoming challenges as groundwater agencies have formed and started to plan for sustainable groundwater basins.
