Overcoming Barriers and Obstacles to Facilitate 5G Deployment

Wolters Kluwer Legal & Regulatory U.S.

Best Best & Krieger LLP Partner Gerard Lederer will co-present "CLE Webinar: Funding and Facilitating Wireless and Wireline Broadband Deployment." This webinar from Wolters Kluwer Legal & Regulatory U.S. will discuss the ways local government agencies can either add regulatory hurdles or smooth the obstacles to deployment.

The panel will provide their knowledge and insights on the current landscape and a wide range of topics including:

- The different types of broadband deployment
- The ways in which government is involved
- Spectrum Allocation
- 5G and small cell infrastructure
- FCC proceedings on lowering barriers
- FCC proceedings to fund broadband
- The FCC's Broadband Deployment Advisory Committee
