LOS ANGELES — Best Best & Krieger LLP is pleased to announce that it has earned a position on the *Los Angeles Business Journal's* Top Law Firms list. With 22 attorneys in its Los Angeles office, the firm ranks No. 173 on the list of top Los Angeles County firms by head count.

BB&K was founded in 1891 in Riverside and expanded into Los Angeles in 2006. Since then, the L.A. office has continued to grow, picking up pace in the last year with the addition of 13 attorneys.

"The firm recognizes the importance of establishing a strong presence in what can only be described as a critical location in terms of geography, commerce, and proximity to the region's key influencers and decision-makers," said Office Managing Partner John Holloway. "We are a close-knit office with a broad practice area, serving clients in collaboration with our other offices located throughout California and in Washington, D.C."

The *Business Journal* recognized BB&K's L.A. office for its practice in water, eminent domain, telecommunications, public agency, environmental, health care and litigation work. Last year, the publication selected BB&K Managing Partner Eric Garner, a leading authority in water law, as a finalist for its "Leaders in Law" award. In November, *U.S. News-Best Lawyers* gave the L.A. office the top "Metropolitan Tier 1" ranking for its water law practice.
