Following a period of growth, Best Best & Krieger LLP was ranked No. 202 on the *National Law Journal's* list of the country's largest law firms. The annual ranking of the largest law firms, released June 26, provides a snapshot of where the legal profession is thriving and trends in the industry.

With 202 attorneys, BB&K advanced from the No. 221 spot in 2018 — a climb of more than 8 percent that grabbed the publication's attention. In a [May article by The American Lawyer Media](#) (the parent company of *NLJ*), BB&K Managing Partner Eric Garner discussed being on the cusp of breaking on to the Am Law 200 list.

"If you had said to me three years ago, 'I'm going to be talking to you in three years because you're knocking on the door of the Am Law 200,' I'd say, 'Yeah, right,'" Eric told *ALM*. "But most of the growth has been organic."

Eric said that having a unique focus and a record of delivering strong results has helped BB&K become a "one-stop shop for public agencies in an increasingly connected world."

In May, *Law360* ranked BB&K [No. 198 on its list](#) of the country's largest law firms.
